

NYJO Cumbria Regional Academy 2019

16 February: North Lakes Primary School Penrith

9 March: rehearsal and concert at Lancaster University

23 March: North Lakes School, Penrith

and then one Saturday per half term in Penrith

How it works: A full-day Saturday session each half term, run by a NYJO leader and young ambassadors, which will focus on improvising, performance and jazz skills. The first collaborative performance is in March with Lancashire NYJO Academy and the ambassadors, and the full NYJO band will come up from London to perform.
