Dear Richard -

I wanted to congratulate you and your amazing students on Saturday's performance at The Coro.

I can only imagine the hours of effort that went into making that performance what it was. The band played with skill, confidence, and no small amount of verve - Cinema Paradiso brought a tear to my eye.

Please pass my congratulations and thanks to the Wind Band. And thank you for all the work that you put in, year after year, to promote music, broaden horizons, and entertain Ulverston.

With all good wishes -
